From the President's Desk...

Phew! This Summer was one for the books. I am ready for Fall and all the fun activities it brings. Now that Convention Season is over, we are able to slow down and reflect on all that has taken place over the last few months.

TASCOE headed to the Coast, and we had a great convention and business meeting in Corpus Christi. I want to thank all the members that attended and those that helped make it a huge success. We are very appreciative that the Texas State Office and a State Committee member took the time to meet in person with our association. I greatly value the working relationship TASCOE has with our State Office.

Veronica and I were able to go to the NASCOE Convention in Sault St. Marie, Michigan. It was a great time to meet with members form other states and discuss common issues and obstacles facing our Agency. Having representatives in person from the National Office reaffirms how much they value our association and our members. If you are interested in networking possibilities, a National Convention is a great place to start.

If you have never attended a convention, we hope that you will join us in Fredericksburg next June.

Finally, I want to say thank you to a couple of folks. I want to thank our State Office for providing TASCOE with time to talk at our recent training in College Station. We appreciate everything the STO does for us in the County Offices. TASCOE Leadership, a big thank you, for all your hard work planning, organizing, and executing the plans we made for convention and the training. TASCOE relies heavily on excellent leaders and if you have any interest in becoming active in TASCOE or to become a Director, Chair or other leadership role, I invite you to reach out to myself expressing this. We gained an incredible number of new members at the training, and it is because of everyone's hard work that it was so successful.

If you are a new member, Welcome to TASCOE! I hope that you will reach out if you have any questions, comments, or concerns. If you are an existing member and the training put that spark back in you to get involved…now tis the time!

Thank Y'all

John T Tyson
TASCOE President
