HOLIDAY HOWDY

Howdy TASCOE family!

Who is enjoying this weather? We certainly are and we trust you all are as well. With the time change “falling back” and the crisp air, it sure makes us recall how important this time of year truly is. We are most thankful for so many blessings in our lives and Thanksgiving is a great time to tell each other just that, so “Thank you” for your service to TASCOE, and for being a member of your employees’ association. If you read the definition of “thankful”, it states....“expressing gratitude and relief”, “indebted”, “beholden”, “grateful” and pleased.” These are such great adjectives to describe how we feel about being your Executive Committee for TASCOE.

HOWDY CONT...

We are a team, we are a “FRAMILY”! Friends that are like family! Spending time with your family and friends is what Thanksgiving is all about. Please do take off during the upcoming holidays to spend that quality time with your friends and family. We all need that time away to regroup our thoughts, replenish ourselves and recharge our minds, hearts and souls. We, as EC, did some great re-charging when we were in Granbury, Texas for the Organizational Meeting in October. What a neat town with so much to offer! We are planning a “Grand time in Granbury” this next July 24-27, 2024, for our annual meeting and convention. Please be watching for information pertaining to TASCOE Convention and save that date now! Conventions are a chance to gather new members, greet the current members, talk to stakeholders, have trainings, and visit with the STO. It will be great to listen to speakers, learn from those talking about the Farm Bill, and enjoying that “family reunion” feel that we have come to know convention time to be for us. Within these pages, you will see photos of your Executive Committee seeing the sights of Granbury and enjoying times together as we plan for this upcoming convention. Plan on being there, folks! Granbury is already getting ready for TASCOE, are you ready?

With the NASCOE convention this past August in Texas, there are other states that are wanting to come back and enjoy our southern hospitality, so let’s get ready to show that once again. We also want to encourage our TASCOE members to attend a convention. Have you asked a member lately about going to convention? Have you thought about writing up someone for a DSA? We have found that personally asking someone to attend an event or be involved lets them see how much we really want members to attend and be a part of their association.

As we continue to plan for convention, we are busy working with the STO and our Committee Chairs and Directors/Alternate Directors to keep communication flowing and information out to the members that we serve. We continue to be humbled and honored to serve as your TASCOE Officers and the comradery that we share is catching, we think! And it is not just because we are Aggies! We are proud of the TASCOE Leadership, and we feel a strong sense of team spirit that is keeping engagement and enthusiasm while encouraging others to join our TASCOE family! Thank you for your support, membership, and faith in our mission! Let’s keep that momentum rolling into the holidays and new year! TEAM TASCOE for the Win!

Respectfully yours,
TASCOE Executive Committee
Jeannine, John, Veronica, and Christa

MEMBERSHIP CO-CHAIRS REPORT

Greetings TASCOE Family,

This year has been more challenging for some than others but here we are wrapping up 2023. We are approximately at 65% with membership as the state. We are working diligently at updating our membership information and continuing learning the roles and duties. If you have any personal information (email, phone number, etc.) that may have changed that needs to be updated on our end, you may submit a membership form with the most updated information. You may obtain the form by clicking [here](#). This will help us tremendously to ensure we are sending the information out to the correct destination. Please, if any of you have requested access to the NASCOE app and have been accepted but are not able to see updates, please log out of the app and sign back in. This should allow you to see the updates. If you know of a member who has not requested access to the app, please highly suggest the member do so as that is the only way to receive updates on the upcoming farm bill, furloughs, etc. Please do not hesitate to contact any membership co-chair if you have any questions. As always, thank you for all that each of you do and I hope each of you have a wonderful and blessed holiday season!

Wyatt is 9 years old and keeps us busy with showing broilers in Stock Show, Soccer, Basketball and Baseball. Baylee is 7 and is involved with Cheerleading classes, Tumbling, and loves to play Soccer. Trey our baby, is 2 years old and loves spending his days with his grandpa and riding on the tractor. I encourage everyone to consider visiting the NASCOE webpage and becoming familiar with how easy it is to make a program submission! Here is the link to the NASCOE homepage- Programs & Negotiations [National Association of FSA County Office Employees \(nascoe.org\)](http://nascoe.org)

As a reminder, these submissions can be done on government computers, and on government time. If you need help with the process, I am only an IM, email, or phone call away.

Legislative Chair Report

Greetings fellow TASCOE family members. My name is Cristobal (Cris) Perez. I previously have served as TASCOE President & as a Director. I was recently asked about serving as your legislative chairperson. Our TASCOE leadership suggested this position since I've had the luck (or unluck) to happen to know some of our elected representatives. I've had many opportunities to talk to our elected representatives about what we as County FSA Employees do. They always seem surprised that we operate under a separate system and are mostly surprised by how much work we get done with our limited resources. In this TASCOE capacity, I intend to continue reaching out to our elected officials to discuss our employee priorities and what we need to succeed in serving our customers. If you know of any contacts in your area that work with our elected officials, feel free to share with me. You can email me anytime at tascoeleg@gmail.com. Thank you!

Benefits Chair Report

Hi everyone! My name is Taylor Ancinec, and I am the TASCOE Benefits Committee Chair. I am the County Executive Director in Falls County and have been with the agency since 2018. I currently live in Temple with my husband Barrett, and we are expecting our first child in January! I hope that 2023 has been a good year for you and your families and you enjoy some much-needed time off to enjoy the holiday season! Although I have served in this role for almost a year I feel as if time flies, and I am just diving in. Before the end of 2023 be sure to look over the benefits offered to TASCOE members, these can be found on the TASCOE website. Working Advantage offers a range of benefits from hotels, flights, and theme parks! Just email me for the code and you can set up an account. We also have a benefit as NASCOE members of Live Streaming Fitness for a discounted rate. If you are looking for an insurance quote, please be sure to contact AgWorkers Insurance.

I would also like to introduce a member of my committee, Courtney Mowbray, County Executive Director in Mason-Llano County! She will be helping me out over my maternity leave. Please be sure to reach out to me if you need any questions, ideas, or new benefits I can look into for our members! Have a Merry Christmas and Happy New Year!

Taylor Ancinec
Benefits Chair

Please consider donating items for the TASCOE Convention auction, together we can make it GRAND in Granbury! tascoescholarship@gmail.com.

COAC Chair Report

Hello TASCOE members!

Let me start by introducing myself. I am Lori LeBlue and I began my FSA career as a PT in the Fayette/Lee County Office and I have recently moved to the Colorado County FSA Office. I have been with the agency, and a TASCOE member, for a little over 9 years.

Before serving as COAC Chair I served as District Director for District 12. I thoroughly enjoyed my role as District Director and I am truly honored and excited to take on the role as the County Office Advocacy Committee (COAC) Chair.

The COAC's mission is to protect, enhance, and provide continual education for the farmer-elected committee and county office system for the betterment of NASCOE's membership, county office FSA employees, and the agricultural communities we serve while working independently, but cooperatively, with the National Association of Farmer-Elected Committees (NAFEC). To achieve this mission, we as county office employees encourage membership!

I also encourage each of you to get involved and get the word out of the importance of the COC and NAFEC to the future of FSA. Please do not hesitate to reach out with any questions, concerns or comments you may have regarding the COAC.

Memorial Co-Chairs Report

Sharon Curtis & Kara McHugh are the 2023-2024 Memorial Committee. We would like to take this time and introduce ourselves. We are both excited to represent TASCOE on this committee.

I am Sharon Curtis, Key Program Technician, at the Eastland Co FSA office. I have worked in Eastland County for 35 years. My personal email is sharoncurtis7582@att.net.

Kara McHugh has served as Program Technician in Matagorda County for 3 years. She can be reached at karolena.mchugh@usda.gov.

As we all know, sadly, our FSA family can pass away at any time, and it is an honored tradition each year at the Texas Association of FSA County Office Employees (TASCOE) Convention to remember them in our Memorial Service those employees or committee members (STC and/or COC plus retirees) that have earned their angel wings and are no longer with us. This inspirational presentation includes a photo and very brief bio of each of the deceased FSA employees, which has become a wonderful tribute to include those that have passed away since the previous year's convention.

NASCOE also utilizes this information during their national convention's Memorial Service held in August each year, so our Texas FSA family are memorialized twice annually.

There is a memorial form on the NASCOE application or you can just provide the name, picture, position held (county, district or state office), if the deceased employee was a member of TASCOE/NASCOE, TASE, TACS or NAFEC, length of service, and location of service so they can be recognized at our annual TASCOE convention. This information is also passed on to NASCOE so they will also be recognized at the national convention.

Thank you for your support and assistance in the Memorial Service. It is truly a privilege to work on this committee to reflect and remember our fellow FSA family.

Please feel free to contact Sharon or Kara anytime to assist you.
