# PRESIDENT'S REPORT

---

**Are y'all ready to be GRAND in Granbury?**

**Who is ready to celebrate the HUGE win for our PTs!?**

WOW and WHOOP! What a way to end a week when the Administrator sends the email about our long, long, long awaited PT Reclassification on May 10, 2024! I am still reeling from this win knowing how sweet victory truly is! Our Program Technicians have deserved this upgrade for so many years, and it is such a joy it has FINALLY be granted. For all of you that fought for this upgrade for over 30 years, we THANK YOU!

There is one PT that I want to take the time to thank right now. The first PT to be a TASCOE Director and then became the 1st female TASCOE President is the precious Penny Kelton, PT in Lamb County. Her unending dedication and drive remain an inspiration as a role model and mentor to me to this day. She has never given up (42+ years) and will continue to work hard for FSA and TASCOE until she retires.

As I think about all the past Presidents that have proudly served in our association, I take pride in knowing there were only a few women that have gone before me in this role, and I want to thank them for their outstanding service while also paving the way for myself and the future of TASCOE. I have appreciated their advice, knowledge, guidance, and friendship. Following Madam Kelton, in the Women as TASCOE Presidents was the magnificent Morgan Limmer, then the jubilant Jennifer Garcia; to my immediate predecessor our excellent Ex-Officio Christa Kraatz. Congratulations to these ladies for being among the first and still supporting our association! Thank you for your commitment, your service, unending dedication, and love for your fellow employees in giving of your time and willingness to serve. Being a leader in TASCOE requires passion, a strong drive to never give up, willingness to listen and learn plus a lot of time, which is ALL so worth it! Thank you as well to our current and very valuable leadership with our Executive Committee (EC), our Committee Chairs/Co-Chairs and each district's TASCOE Directors and Alternate Directors. Working with all our leadership has been inspiring. Hopefully, each of you is beginning to sense this intense team spirit that we are hoping to create in having constant and quality ongoing communication to you, the members, through our leadership. It warms my heart to serve with all of you. If anyone wants to be more involved and/or in a leadership role in TASCOE, please let us know. We are always thrilled to have volunteers step up to join us. Since your Executive Committee are all 4 Aggies, we can get a bit excited and feel that "TASCOE spirit" is like "Aggie spirit" as it gets folks interested in the bond we share! 👍 Let's bring this TASCOE team spirit to Granbury as we enthusiastically engage with all who attend ! And let's celebrate together our

wins and remember that our losses still could still be won. As was stated by Sean Higgins: "Every day the clock resets. Your wins don't matter. Your failures don't matter. Don't stress on what was, FIGHT for what could be"

Sound and profound wisdom.

With the TASCOE spirit strong, we are inviting ALL of you once again to our annual TASCOE and FSA family reunion or rather our annual meetings held during our state convention at the Granbury Conference Center in Granbury, Texas, July 24-27, 2024. For more information, check out [www.visitgranbury.com](http://www.visitgranbury.com) and discover why it is voted as the Celebration Capital of our Lone Star State. You may also tune into our [www.tascoe.org](http://www.tascoe.org) webpage and our TASCOE Facebook page for information pertaining to our 2024 TASCOE Convention as you really won't want to miss it! Ask someone to come with you to convention so they can really get the sense of what it all entails. If you have never been to your state convention, I strongly encourage you to attend this event and see what you think! It usually just takes that one time to attend and then you are hooked to return each year. Please come to give us some pointers, suggestions and volunteer your talents. I can nearly guarantee you will not leave disappointed with what we have instore this year!

As I look forward to seeing you all in Granbury, another sincere "thank you" to each of you as members of TASCOE. Your unending support, loyalty, and faith in our mission is truly felt and always appreciated!

Ready to be GRAND in Granbury! Come and join us!

Respectfully yours,

Jeannine P. Wendel  
TASCOE President

## WINNING!

I hope everyone has enjoyed this magnificent spring we have experienced here in the Lone Star State! I cannot believe Summer is here and that can only mean one thing...Convention Season!

While we are entering this season of accomplishments, awards, graduations etc. I would like to recognize the long overdue PT Reclassification Notice that was recently shared by the National Office. This is a huge victory for current and future employees of FSA. When I begin to think about this win one word comes to mind, membership! This PT Reclassification has been a long time coming and without members and our voice being heard this may not have been possible. If you have new employees or veteran employees in your district, office, neighboring offices, let them know this reclassification is why you should become a TASCOE member.

TASCOE President, Jeannine Wendel and I recently attended the All-South Rally in Mobile, Alabama! This was my first Rally and all I can say is AMAZING! We had great speakers, WDC folks were in person and took questions from the floor. If you ever have a chance to attend a Rally, number one reason is to get those opportunities to voice, face to face, frustrations and opinions from the COF. Reason two to attend, the fellowship! Seeing so many faces, some from last year at NASCOE Convention in College Station, but made some new friends as well. If you have any questions about attending a Rally or National Convention, please reach out and I would be glad to share my experiences and, in my opinion, what you can expect from attending those events.

I hope to see many of my TASCOE family in Granbury July 24-27 for the annual TASCOE Convention!

Thank Y'all!

John T Tyson  
TASCOE Vice-President

# 2024 Scholarship Winners

We had a great group of students apply for scholarships this year, and we are so excited to announce our winners. They are a great group of students who are on to great things. We wish you all the best in your future endeavors. We are looking forward to meeting two of our recipients at this year's TASCOE Convention. Speaking of Friday.....please give some thought to donating an item for the silent and/or live auction and be sure to get those stretches in so you are ready to raise your hand high in the bidding wars!! Please read below to learn more about our recipients.

## Associate Scholarship Recipient

Howdy! My name is Brenna Williams, and I wanted to thank you foremost for the opportunity this scholarship will give me to further my education. I graduated from Franklin High School in 2023. I just completed my freshmen year at Texas A&M University. Since I was a little girl, I have wanted to be an Aggie. Both of my parents are Aggies, so I grew up around the culture and traditions. After my undergraduate degree in agricultural leadership at Texas A&M, I plan to attend law school to study criminal law. I was involved in a school organization called Coal FX during my first year of college. I enjoy being involved in my college church group. We have Bible study groups and nights to come together as a community and be close to God. Thanks again, and Gig'Em!

**Brenna is the daughter of Michael Williams, Program Specialist WDC**

## Associate Scholarship Recipient

Hi, my name is Ayla Wolf! I have recently graduated from Franklin High School. During my time there I was involved in Student Council, FFA, NHS, and played tennis where I had the opportunity to play in the state tournament. In the fall I will be majoring in kinesiology at Texas A&M University. Afterwards my plans are to enroll in the Physical Therapy program at Texas Tech University.

Thank you all for believing in me and investing in my future.

**Ayla is the Step-daughter of Michael Williams, Program Specialist WDC**

## Traditional Scholarship Recipient

I am Kaden Wise, graduating as the Salutatorian from Brownfield High School. I graduated with an Associate Degree in general studies science through dual credits from South Plains University with high honors. I will be attending Texas Tech University to study in biochemistry.

**Kaden is the son of Kayla Wise,  
Terry County Office PT**

## Vocational Scholarship Recipient

**Payton is the son of Lori LeBlue,  
Colorado County Office PT**

Payton Dean LeBlue is a graduate from Fayetteville High School. He is a kind, smart and stubborn kid that believes in donating his free time to various organizations and charities. He moved to Fayetteville about 12 years ago due to his house being destroyed in the 2011 Bastrop fires. The decision to move and rebuild in Fayetteville was an easy one due to most of his family members either lived or were from the Fayetteville area. He has been a member of the National Honor Society since 2021. He also served as the basketball manager starting in the sixth grade and continuing that role until he graduated. He was on the Fayetteville FFA welding team and competed in several competitions. He is an active member of St John's Catholic Church and volunteers for the annual Picnic and other church sponsored events such as bingo. He has assisted his community by volunteering at many other events, such as, food drives, community garage sales and various Ellinger Chamber of Commerce fundraising events. He is continuing to work his two jobs during his college career at Kreb's Services during the week, fence building and at Orsak's Cafe on the weekends. In his spare time he likes to hang out with his family and friends. He plans to keep his two jobs as he attends Texas State Technical College in Rosenberg, Texas to obtain a degree in Electrical Control and Power. Once he graduates he hopes to find a job in the Fayetteville area. The local people of Fayetteville, his family and his friends are what drives him to succeed.

## Nolan County

Nolan County's new CED, Camille Middleton went to the 2024 Sweetwater Rattlesnake Roundup in March and look who she found! Her Predecessor, Nolan County's previous CED, Dennis Cumbie wrapped a snake around her neck!

Dennis has worked with the Sweetwater Jaycees for many years and has always been involved in the Rattlesnake Roundup. Before the Roundup he has several presentations on local news stations and at area schools teaching about rattlesnakes and safety. At the roundup you will find him in the milking pit where he is extracting venom from the snakes in order to make anti venom. He retired from Nolan County FSA on April 29, 2023.

## Young & Throckmorton Counties

Young-Throckmorton CED, Jeannine P. Wendel (& hubby, Duane) are certainly proud of their 2023 UNT bachelor degreed daughter, Jillian P. Wendel (22 years old) who loves all styles of art and is truly gifted in curating art events for new and aspiring artists. She will be starting her second year at the University of North Texas Master's Program in Art Education as just completing her first year of a 2-year Master's Program with all "A's" and high accommodations from her professors and peers. Within a year, Jillian has curated three group shows in Denton, Dallas, and Fort Worth. Recently, she curated a group show in her backyard. Galluzzi remarks their favorite aspect of the entire "Speed Bump" art event in the "lil D" / Denton, TX area is seeing the public interact with the art and seeing people's excitement about it. At one of the locations, there was "The SHED Show", in which the artist Jillian Wendel, an art curator, showcased ten other artists' work in the shed in her very own backyard in Denton. The exhibition in her shed, "fetid", featured mostly Denton and Dallas-Fort Worth-based artists. This was the first year the event had a curator apply and be accepted. There were other unique art demonstrations amongst the other locations around Denton as an art lovers experience to view, shop, purchase art pieces if you wished and enjoy the day. Several pieces were sold in Jillian's show which made it a real success. Jillian has been mentioned in numerous Texas magazines, including Patron magazine, Glasstire magazine and recently in the North Texas Daily. In August, she will curate a solo show with artist Hannah Baskin in Bangalore, India with Gallery A.M.P.S.

### **Johnson County**
